

HELLO DEAR FRIENDS,

June is a very special month: It is the month of the Sacred Heart of Jesus, and the month in which we honor Fathers. During June we also celebrate the Feast of Corpus Christi. All these celebrations are close to the hearts of the Disciples of Mercy, and Lori expressed it in her humble way during her second talk at St Andrews Chapel in 1996, when she explained her relationship with God:

"He is my Father, He is my best friend." And the heart of God and His Body and Blood is part of everything that we are about.

Lori also teaches us in her talk that when we receive the Eucharist, *"He is giving us His Heart"* and she shares her feeling of grief when she sees people leave Mass early even during Holy Communion, as she says *"Do they KNOW?? He is still standing there!!"*

Jesus assures us in the Message of April 27, 1996 that He waits night and day for us to cast Him a glance: *"I have asked my faithful ones to give me everything. Yet I grieve, for am I not a compassionate Father who constantly watches his children fall into perdition?"*

And St Faustina records Jesus' words to her in her Diary, passage 1447:

"Oh, how painful it is to Me that souls so seldom unite themselves to Me in Holy Communion".

So, especially during this month, let us try to console our Eternal Father's Heart, by praying the "Prayer of Consolation" that Jesus taught Lori on November 21, 1995.

SO LET US PRAY...

Jesus, our Loving Father, we pray this month for the success of the third printing of our prayer book, "Prayers from the Heart of God"; preparation in Spanish of our English booklet of Messages from the Heart of God against the scourge of Abortion- this booklet will be distributed to the more than 300 Disciples of Mercy in Peru, as they pray for the success of their special ministry this year to prevent the opening of the second Abortion clinic in Lima.

TESTIMONIALS

Marcos was preparing for surgery in his native Peru to amputate his arm due to a cancer that was found. This would have been the fourth, and last surgery as previous efforts to save the arm had failed. Veronica prayed over Marcos, and we are grateful to God to report that during his final pre-operative exam, Doctor's told him that the surgery was no longer necessary; The Lord had intervened!!!
