

# HELLO, DEAR FRIENDS

This winter season is a time to bring the "Christmas message" to those we encounter on the grassroots level.

To understand the beginning of this "movement", look at the Gospel from the Feast of St Andrew, (Matthew 4:18-22) where Jesus calls Simon (Peter) and his brother Andrew: "Come after me, and I will make you fishers of men."

Jesus invites us as well, and we, as Disciples, must follow, so that we can then bring the message to others who perhaps feel especially lost or despondent this season. But we must be patient as well as persevering in reaching out to others to bring them the hope that WE feel.

Jesus tells us in the message of November 13, 1995 in the *Heart of God*: "The fisherman takes out his boat before sunrise. As he casts his nets, he knows he must wait patiently for the fish to come.

Yes, eventually they will come, for the successful fisherman has learned patient endurance. To be my disciple you must be patient....you must be willing to place the needs

of other souls first. The soul that is lost from me, should be your first priority."

This Christmas and winter season, let us give the gift of hope in the *Heart of God* to others...give the prayer cards, give the messages...give the Books...tell them about the website.

Jesus says in the message of December 15, 1995: "I am the Eternal Gift-Giver". This winter, let us give others the very gift that He gave us- His Heart that He gave us in the *Heart of God*. What better time than the Christmas season, and how about sharing His loving Heart as part of our St. Valentine's Day gifts? To help you with this, read about our EXCITING DEVELOPMENTS below.
